* The Evaluation Scores and Average Evaluation Scores are generated from the student response to the following question: We know how the professor conducts the course often influences what a TA is able to do in a course. Given the professor's role and the structure of this course, how would you evaluate your TA's performance? (5=excellent, 4=good, 3=average, 2=fair, and 1=poor).

** Designates that the Department of Economics Teaching Assistant Review Committee determined that Gabriel Martinez-Roa was a Distinguished Teaching Assistant. "Distinguished" is the highest commendation assigned by the Department of Economics as recognition for outstanding performance.
